all – please see attached letter from LDF’s outside counsel detailing the tribe’s narrative of what has happened thus far and asking for an update on the status of EPA’s task order for an FS. they assert that they would like to resolve EPA’s intentions toward submittal of the task order prior to the 8/15 meeting of bob and president wildcat.

i intend to promptly acknowledge receipt of the letter and will coordinate with you regarding what response might be appropriate.

note that the letter also states that the tribe has filed a FOIA request for “EPA’s communications with WDNR, REI, and third parties related to the site.” barbara
